Dream Big Day Event Guide

The goal for these Dream Big Day events is to bring communities together—giving kids a chance to champion their passions, celebrate local heroes, and share the stories of inspiring people who have dreamed big and accomplished amazing things! We hope this helps you to plan a day filled with fun, inspiration, and creativity.

DREAM

1. Start with Storytime

Gather everyone around and kick off your event with a storytime featuring your favorite Little People, BIG DREAMS books. Whether it's the *New York Times* bestselling *Taylor Swift*, the brand new *Vincent Van Gogh*, or timeless classics like *Frida Kahlo*, *Amelia Earhart*, and *David Bowie*, these stories will set the stage for a day of dreaming big. If you can, invite a local hero—like a librarian, scientist, or writer—to share how they made their big dreams come true. It's a perfect way to inspire young minds with real-life examples of dreamers who've achieved amazing things.

2. Dream Cloud Activity

Next, let the kids unleash their imaginations with our printable activity sheets! One favorite is the "Dream Big" cloud activity, where each child can write or draw their biggest dreams inside a cloud shape. Encourage them to think big—whether they dream of becoming a musician, astronaut, or helping their community. Once finished, they can share their dreams with the group, sparking discussions and ideas on how to make those dreams a reality.

Make the day extra special by printing out participation stickers using the templates provided at <u>littlepeoplebigdreams.com/extras</u>. Kids can wear their stickers proudly throughout the day, reminding them that they are part of something special.

4. Tag Us In Your Photos

We'd love to see all the fun you're having, so please be sure to share photos from your event and tag us using #lpbddreambigday, @mariaisabelsanchezvegara and @quartokids.
